

# Be Someone's Favorite Teacher

## ENVISION EDUCATION

*Teacher Residency*  
at Alder Graduate School of Education

### Envision Teacher Residency at Alder Graduate School of Education

The most effective way to turn your passion for supporting young people into a job you love.

- Build the real-world skills you need to show up for your students on day one.
- Work alongside an experienced classroom teacher in a high-quality, equity-focused school.
- Earn your master's degree and teaching certificate in just one year.
- Get an inside track on working in a school committed to transforming the lives of its students.
