1. Project Exchange (Bob Lenz)
Bob Lenz presented a tour of the Project Exchange website. He highlighted the website’s ability to create slideshows, to compile media galleries for each project, and to map to state standards. He noted that it is time intensive for teachers to upload projects and so Envision provides a financial incentive for teachers to do so. Tom Kehler noted that in comparison to similar websites, the Project Exchange website is one of the best out there.

2. Graduation Portfolio & College Knowledge (Bob Lenz)
Bob Lenz gave an overview of the College Knowledge Forum at CAT. Representatives from Stanford have committed to tracking kids, and the UC system is also open to this.

2. **MSAT Facilities & NUSD report on 2nd Interim Budget (Bob Lenz)**

   Chris Pelgrift presented an overview of the 2nd Interim Budget report due to NUSD. Bob Lenz stated that Envision Schools needs to respond to the latest Prop 39 offer from NUSD. Bob Lenz summarized that Envision has been asked to unequivocally accept NUSD’s offer of space, which only provides for Novato students. He stated that Envision has worked and will continue to work to find a solution that does not put Envision at financial risk and does not force us to accept undue liability. He noted that working conditions with NUSD have become increasingly untenable, and that he believes parents and students of MSAT should work with NUSD to sever ties with Envision and to apply for a new charter. This charter would define MSAT as a locally governed, independent charter of Envision Schools. Stewart Fox, MSAT’s principal, would lead this effort.

   **MOTION:** THE ES BOARD ENCOURAGES MSAT PARENTS AND THE SCHOOL LEADERSHIP TO PURSUE A TRANSFER OF MSAT’S CHARTER TO BE UNDER A NEWLY FORMED PARENT GROUP COMPLETELY INDEPENDENT OF ES. ES WILL WORK COOPERATIVELY WITH THE NEW MSAT GROUP AND THE NUSD TO REACH THIS GOAL.
   
   **VOTE:** KEHLER/VERNETTI
