2. 2015-16 Local Control Accountability Plan (LCAP)

Jamie Marantz, Envision Schools’ Chief Academic Officer, shared that the 2015-16 LCAPs were submitted to our authorizers by July 1st, 2015. Unfortunately, they were submitted in a previous version LCAP template. When the staff realized this, they put the content of our previous LCAPs into the new template and there were a few changes in the new template including the removal of the California High School Exit Exam goals (the State stopped the administration and requirement of CAHSEE).

Action Item: The Envision Education Executive Committee representing the Board of Directors hereby moves to take official action to approve the updated LCAPs for Envision Academy, Impact Academy, City Arts and Technology High School.
